SKIING FOR THE FIRST TIME. EXPLORING A MOUNTAIN ON A SNOW BIKE. FLYING WITH A ZIPLINE. SLIDING ON A DONUT. REACHING THE TOP OF THE WORLD ON A CABLE CAR. BARILOCHE HAS A WORLD OF THRILLS YOU'VE NEVER FELT. **ALL WAITING FOR YOU.**

SKIING:

Enjoy magical views while you feel the best snow in the world under your feet. There are schools for all levels, the best ski instructors and smooth or very steep slopes 2,100 meters above sea level.

SNOWBOARDING:

Feel the adrenaline of sliding on the snow at full speed. There are areas reserved for snowboarders compliant with all safety rules and offering many options: jumps, big air, and obstacles (rails, boxes, etc.)

SKI TOURING:

Get ready for an adventure full of excitement, outside the specially built or marked areas. Do you dare? Requires specific materials and gear, with a special system to be able to move forward on flat ground and go up on the snow without slipping. We suggest you hire specialized guides.

4X4 TOURS:

Explore the most stunning natural landscapes through trails leading you to unique places.

SNOW BIKING:

Have the unmatched experience of getting deep into the woods riding a snow bike.

SNOWSHOEING:

Discover a whole new world full of incredible views. Enjoy winter hiking on the snow or frozen surfaces. You'll find beautiful circuits that are not technically or physically demanding in the areas surrounding Bariloche.

SLIDING:

Fly across the mountain and never stop laughing! Ideal to have fun with your family.
